

Resolution for Government Transparency

WHEREAS, citizens have the right to access documents, proceedings and financial statements of the government to allow for public oversight. And

WHEREAS the goal is to improve the transparency, accountability and inclusiveness of government institutions and processes and how public resources are allocated. And

WHEREAS, citizens should have the ability to monitor the management of public resources.

THEREFORE LET IT BE RESOLVED, that Walker County Government provide to its citizens each fiscal year a complete line-item budget for public review.
